FLOOR DEBATE

January 13, 2004 LB 172

SENATOR CHAMBERS: ...be considered a preventative, to have this information made available. Now, I have said there are people rabidly opposed to abortion who have brought this bill and who are supporting it. I will apply that term "rabid" as a descriptor of myself, r-a-b-i-d. I am a rabid supporter of necessary information. And you can vote to cut me off this morning. But if you do, get ready to vote to cut me off on every bill. And I say every bill, but I'm free to change my mind and not deal with every bill. But I like to state the maximum that I'm able to do or that I might do. So if Senator Foley has hoodwinked enough of you, buffaloes and bullied enough of you to go along with him, go ahead and do it. And I think it was a gross error...

SPEAKER BROMM: Time.

SENATOR CHAMBERS: ...for the Speaker to make this a Speaker's priority bill and bring it up this early in the session. That's my opinion also.

SPEAKER BROMM: Time. Thank you, Senator Chambers. Mr. Clerk.

CLERK: Mr. President, I have a priority motion. Senator Foley would move to invoke cloture.

SPEAKER BROMM: A motion to invoke cloture has been filed. Senator Foley, for what reason do you rise?

SENATOR FOLEY: Mr. Speaker, I ask for a call of the house.

SPEAKER BROMM: A call of the house has been requested. All in favor of the house going under call please vote aye, and opposed nay. Please record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, to place the house under call.

SPEAKER BROMM: The house is under call. Members, please report to the Chamber and record your presence. Unauthorized personnel please leave the floor. The house is under call. Senators Brashear, Johnson, Schrock, and Landis, Kremer, Wehrbein,
